III. Getting People & Governments to Act (Mar-Sep)

	Action	Expected Outcomes	Process
1	Emergency Parliamentary Debates; Election Campaigns (local-national)	National coalitions engage parliamentarians / government in calling for an Emergency Debate on the MDGs, and adoption of a National Action Plan for 2010-15; Similar process across regional forums like the AU, EU, ASEAN, SAARC, etc.	Mapping of countries and regions that can / need to be reached across networks; UNMC Africa to link this agenda with local self government and Member of Parliament meetings being held in Africa in this period Commemoration of 'Mandela Day' (July 18 th) as a Global Day of Action on The World We Want, and Government Accountability to the MDGs (exploration with Mandela Foundation) Oxfam to help link with Pan-African parliament and SEDAC
2	Global Boycott Action(s); Delegations & Send-off actions	Exploration of "Feel the pinch" actions forcing recognition of denial of services / rights and affirmative action by government(s); Leadership by socially excluded groups to give visibility to their priorities;	To be thought through further by 'Civil Disobedience' sub-group [includes Sakina, Fionuala, Dennis, Rashmi, Glenn Fared, Verena to revert back on rep from Europe] Possibilities for linking with WSF events taking place in US and Latin America in this period Linkages with the

			CIVICUS World Assembly (20-23 Aug)
3	Stand Up & Take Action (17-19 th September)	<p>"The World We Want" public, cultural, media and web campaigning events across countries;</p> <p>Make A Noise global day of action (18th Sep);</p> <p>"The World We Want" (TW3) event(s) in New York; Possible TW3 Global Youth Assembly</p>	<p>Local Action Committee in New York to initiate and coordinate events*;</p> <p>Possible creation of a Stand Up Coordination Group for strategic coordination across regions and constituency groups</p>

IV. Creating A Proactive Rights Agenda (2010-11)

	Action	Expected Outcomes	Process
1	Think tank on development of an MDG+ Monitoring& Accountability Framework	<p>Initiating a process to bring together policy, people's and governmental institutions on this question;</p> <p>Posing of a possible framework at the MDG Review, and working to raise support through governments</p>	<p>Taskforce to develop and coordinate process across 2010-11;</p> <p>Post Summit process to institutionalize national and global accountability frameworks</p> <p>World Democracy Day, International Day for the Eradication of Poverty (Oct 17th) as key moments</p>
2	'Composite Rights Agenda' for 2015 and beyond (B+15, 20/20, Mill. Declaration)	Bringing together networks, leaders and public figures - social leaders, cultural and political icons, visionaries – to enable a coherent, cross-sectoral framing of issues & strategies Poverty, Democracy, Human Security, Inequality	<p>Linking with multi-sectoral forums (World Assemblies; WSF and parallels for other sectors);</p> <p>Ten days from Dec 1st to 10th as a period for action, with possibilities for global launch event on 10 Dec; potential linkages with the Every Human Has Rights campaign)</p>

3	Framing of strategic Civil Society led moments for the period 2010-15	Bringing together above groups, forums to chart a proactive, post-crises rights agenda for the next five years	"Torch-bearers" to be identified across networks to energize and develop this discussion
